## LANGUAGE OF INSTRUCTION

**Students do not need to speak Portuguese to study at Insper.**  
**A variety of courses (15 to 25 per semester) are taught in English.**

Courses are taught in English **or** Portuguese. Insper recommends exchange students to have at least a CEFR B2 level **of English**, but we do not require an English proficiency proof.

If your students plan to take courses in Portuguese, proficiency proof is compulsory. It can be a letter from the Home University attesting the student is able to take courses in Portuguese.

## BRAZILIAN CULTURE & LANGUAGE WORKSHOP

Insper offers a Brazilian Culture and language Workshop, which is free of charge for international students. It involves interactive activities and classes, which will explore aspects of the Brazilian culture and a survival Portuguese course. Students from all levels of Portuguese are welcome to join. This program is aimed at students who had no prior contact with Portuguese. Students with intermediate levels are welcome to participate, but they may find it very basic.

## COURSES AVAILABLE AND COURSE REGISTRATION

Program information may change every semester since the courses in English are offered in the 4<sup>th</sup> year of the undergraduate program (7<sup>th</sup> and 8<sup>th</sup> semester – elective courses).

The updated list of available courses for 2024.1 will be available at the end of November, but you can check the list of courses in the last semesters as an example of what is offered, [click here](#).

For checking graduate courses (in Portuguese), please access Inspere's [WebSite](#).

Exchange students must attend a minimum of 18 ECTS; this is compulsory as a national regulation.

## LEARNING EXPECTATIONS AND CLASS ATTENDANCE

Classes at Inspere are very participative, and students are expected to contribute to class discussions and projects, seminars, lectures, and self-study.

Class attendance in Brazil is **mandatory**. Students must attend a minimum of 75% of the courses in order to be approved. Any situation will be included in the 25% absence possibility.

Classes size range from 20 to 90 students.

Assessments take place at different times - students can check the exact examination schedules through the school calendar system. Exams are mandatory (in class).

If a student misses an exam, an additional fee will be applied after it.

## GRADING SYSTEM – UNDERGRADUATE COURSES

Grading scale 0 – 10, where 5.0 is the minimum grade required for passing a course:

Group	Scale	Description of the grading system
<b>APPROVED</b>	9 – 10	Excellent
	8 – 8.9	Very Good
	7 – 7.9	Good
	6 – 6.9	Satisfactory
	5 – 5.9	Sufficient
<b>NOT APPROVED</b>	3.1 – 4.9	Fail
	0 – 3	Fail

### Converting Inspere courses to ECTS:

Inspere does not operate on the ECTS credit system. A full-load course contains 80 hours/lesson or 40 hours/lesson of classroom activities (exams/tutorials/office hours). That is the regular load for each course students take during their 4 years of undergraduate studies.

Courses also require 60/70 hours of private study and projects throughout the semester.

Inspere considers 2 ECTS equivalent to a workload of 20/25 hours.

**Thus, one course at Inspere is equivalent to 6.0 ECTS (80 hrs/lesson) or 3ECTS (40 hrs/lesson), some European schools do consider our full load courses equivalent to 7.5 ECTS.**

## **FACILITIES**

Inspere has a modern and innovative Campus with two buildings. All infrastructure is available to students: classrooms, auditorium, restaurant, coffee shops, parking lot, Wi-Fi access, Student's Lounge, labs, sports facilities, and much more.

## **BUDDY PROGRAM**

Buddies are regular Inspere students assigned to help international students during their stay in Brazil. All exchange students are assigned to a Buddy; their main goal is to make students enjoy the most of their experience in Brazil.

## **CAREER CENTER**

Exchange students are welcome to visit and count with our career center to help them understand how the Brazilian job market works and to know more about internship opportunities. Since most of the courses are offered during the morning international students are able to look for internship opportunities during the afternoon period. If your student is interested on this kind of opportunity, we recommend that they contact us in advance.

## **CLUBS AND SOCIETIES**

Inspere has more than 45 clubs and societies; exchange students are welcome to join them. From discussing politics, doing consultancy, organizing cultural activities, and playing sports, to building and competing with racecars, there are many great options for engaging and enjoying the best of the academic experience at Inspere.

## **PRACTICAL INFORMATION**
