INCUBA UDD

UDD program that seeks to provide support for students, alumni and their work teams, who wish to start or already have a business running, oriented to provide guidance, tools and a series of resources and services to launch, develop and enhance your project during a semester. The program supports all kinds of enterprises and in any of its stages.

Website	https://www.udd.cl/international/incuba-udd-2/
Academic Level	Undergraduate and Postgraduate
Language of Instruction	Spanish
Application Process	Students must apply through the exchange application form: https://udesarrollo.wufoo.com.mx/forms/intercambios-en-udd/ Once the application has been confirmed, we will send the call to apply for Incuba UDD, which will be through an online form that is available at the beginning of each semester.

DLAB INNOVATION CERTIFICATE

One of UDD's hallmark programs and the only one in Chile, in which students acquire all the key competences and skills to successfully develop innovation projects with an interdisciplinary focus, which will be aimed at improving a situation or finding a solution to a real problem.

To obtain the innovation certificate, exchange students must take 5 courses, participate in a technological Bootcamp and join a team made up of UDD students from different careers.

Website	https://www.udd.cl/international/d-lab-innovation-certificate/
Academic Level	Undergraduate
Academic System	Annual system (March - December)
