

UFT Credit System

UFT Credit System, consider that 1 credit is equivalent to 2,5 hours student workload per week, composed by 75 minutes of classes and 75 of autonomous work.

The university consider that, in one academic semester, there's 18 academic weeks in total.

So, in one semester, 1 credit is equivalent to a total of chronological 45 hours of workload (classes and autonomous work) per semester.

Then, the relation between UFT credits and ECTS is express in a relation of 2:3. That is 2 UFT credits are equal to 3 ECTS credits.

The transfer can be observed in the following table:

UFT credits	ECTS credits
2	3
4	6
6	9
8	12
10	15
12	18
