Schools & Academic Programmes

01

School of Science & Engineering

Undergraduate Programmes

- Chemistry
- Mathematics & Applied Mathematics
- New Energy Science & Engineering
- Electrical & Computer Engineering
- Financial Engineering (SSE & SME & SDS)
- Material Science & Engineering
- Physics

Taught Postgraduate Programmes

- Master of Science in Communications Engineering
- Master of Science in Artificial Intelligence and Robotics (SSE & SDS)

Research Postgraduate Programmes

- MPhil-PhD Programme in Computer & Information Engineering
- MPhil-PhD Programme in Materials Science & Engineering
- MPhil-PhD Programme in Mathematics
- MPhil-PhD Programme in Energy Science & Engineering
- MPhil-PhD Programme in Physics
- MPhil-PhD Programme in Biomedical Engineering (SSE & MED)

School of Management and Economics

Undergraduate Programmes

- Marketing and Communication
- Global Business Studies
- Economics
- Finance
- Financial Engineering (SSE & SME & SDS)
- Professional Accountancy

Taught Postgraduate Programmes

- Master of Science in Finance
- Master of Science in Economics
- Master of Science in Accounting
- Master of Science in Data Science (SME & SDS & SRIBD)
- Master of Science in Marketing
- Master of Science in Information Management and Business Analytics

Research Postgraduate Programmes

- MPhil-PhD Programme in Finance
- MPhil-PhD Programme in Economics
- MPhil-PhD Programme in Accounting
- MPhil-PhD Programme in Marketing
- MPhil-PhD Programme in Information Management and Business Analytics

School of Data Science

Undergraduate Programmes

- Computer Science and Engineering
- Statistics
- Data Science and Big Data Technology
- Financial Engineering (SSE & SME & SDS)

Taught Postgraduate Programmes

- Master of Science in Data Science (SME & SDS & SRIBD)
- Master of Science in Financial Engineering
- Master of Science in Bioinformatics (SDS & MED)
- Master of Science in Artificial Intelligence and Robotics (SSE & SDS)

Research Postgraduate Programmes

- Ph.D. Programme in Data Science
- Ph.D. Programme in Computer Science

School of Humanities and Social Science

Undergraduate Programmes

Translation

Applied Psychology

English Studies

Taught Postgraduate Programmes

Master of Arts in Translation & Interpreting Studies

Master of Arts in Simultaneous Interpreting

Master of Science in Applied Psychology

Master of Arts in Global Studies

Master of Social Science in Urban Studies

Master of Arts in Public Policy

Master of Arts in Chinese Language and Literature

Research Postgraduates Programmes

MPhil-PhD Programme in Global Studies

MPhil-PhD Programme in Translation Studies

MPhil-PhD Programme in Applied Psychology

School of Music

Undergraduate Programmes

Music Performance

Music Composition and Theory

Musicology

Taught Postgraduate Programmes

Master of Science in Music Performance

Master of Science in Music Composition and Theory

School of Medicine

Undergraduate Programmes

Clinical Medicine

Biological Sciences

Bioinformatics

Biomedical Science & Engineering

Pharmaceutical Science

Taught Postgraduate Programmes

Master of Science in Bioinformatics (SDS & MED)

Research Postgraduate Programmes

MPhil-PhD Programme in Biological Sciences

MPhil-PhD Programme in Biomedical Engineering (SSE & MED)

School of Public Policy

Taught Postgraduate Programmes

Master of Arts in Public Policy

Master of Science in Urban Studies

School of Artificial Intelligence

Undergraduate Programmes

Artificial Intelligence (Bachelor of Engineering)

Research Postgraduate Programmes

MPhil-PhD in Artificial Intelligence

Course Information & Study Load

02

We offer incoming exchange/visiting students a variety of courses that cover different disciplines. The students are allowed to choose courses across all schools (except Clinical Medicine and all majors in School of Music) if they meet the pre-requisites and the space allows. Undergraduate courses are not offered to postgraduates and vice versa.

Course Selection

The incoming exchange/visiting students will receive an updated list of courses with outlines in July and apply for courses online in August if the students study with us in Term 1, in November and in December if in Term 2.

Course References

Courses offered to exchange/visiting undergraduates

Courses offered to exchange/visiting postgraduates

Study Load

CUHKSZ uses a credit unit system. Criteria of assessment may include any one or a combination of the following: attendance, class work, written work, laboratory work, fieldwork, research papers, tests, examinations, and/or any other assessment.

The students shall take

minimum: **9 units per term**

maximum: **18 units per term**

Chinese Language Courses

The School of Humanities and Social Science offers elementary, intermediate and advanced Chinese language courses to international students. Incoming exchange/visiting students are able to take Chinese language courses if the space is available. Click here to learn more.

Grading Scale

Grade and Standard		Sub-divisions (if needed)	Converted Points
A	Excellent	A	4.0
A-	Very Good	A-	3.7
B	Good	B+	3.3
		B	3.0
		B-	2.7
C	Fair	C+	2.3
		C	2.0
		C-	1.7
D	Pass	D+	1.3
		D	1.0
F	Failure	F	0.0
P	Pass	Not counted in the calculation of GPA	
U	Failure		

Academic Calendar

Term 1
Early September – late December

Term 2
Early January – mid-May

Summer Session
June – July

https://registry.cuhk.edu.cn/en/page/277

Application & Admission

03

Admission Requirements

- Undergraduate students should have completed at least two academic terms of university studies. Postgraduate students should have a recognised bachelor's degree or equivalent and currently enroll in a postgraduate programme at a partner university.

- If students are from institutions where English is not the primary language of instruction, they should have a minimum TOEFL score of 530 (paper-based) / 71 (internet-based) or IELTS 6.0 or equivalent.

- Grade point average (GPA) of at least 3.0 on a 4.0 scale (B average or above, or equivalent). Applications with a slightly lower GPA will be carefully assessed.

- All applications will be assessed by Office of Academic Links.

Application Procedures

1.

Nomination by students' home institutions

Nomination Deadline
for home institutions
Term 1 & Full Academic Year: 28th April
Term 2: 28th September

Online Nomination
https://ugapply.cuhk.edu.cn/a/inbound/nominationForm/form

2.

Nominees receive online application details

3.

Nominees complete online application

Application Deadline
for nominated students
Term 1 & Full Academic Year: 8th May
Term 2: 8th October

4.

Candidates receive admission package by email

5.

Application for Visa

After nomination deadline, CUHKSZ will review all the nominees and send the instructions of online application to the students. The Acceptance Letter and JW202 Form (Visa Application for Study in China) will be processed within approximately 6 weeks after students submit the required application documents. These two documents will be sent digitally to students for them to apply for an X (study) visa.

6.

Welcome to CUHKSZ

Accommodation

04

CUHKSZ adopts a collegiate system. Colleges are social communities with their own dormitories, dining halls, gyms, music studios, dance rooms and other facilities. All students will be assigned to different colleges so that students with different academic and cultural backgrounds will enjoy close interaction with teachers and grow up with peers at colleges. A tutor will be arranged in each floor and a warden in each block for caring students.

On-campus accommodation is available to incoming exchange/visiting students but cannot be guaranteed due to limited capacities.

Room Type

4-bed dormitory, shared bathroom

Check-out Deadline

last Friday of December for Term 1
last Friday of May for Term 2

Check-in

Earliest check-in date is the registration date.

Insurance

05

According to national and university-level regulations, international students are required to purchase adequate and comprehensive insurance covering the duration of their stay in the Chinese mainland. Before entering the Chinese mainland, incoming exchange/visiting students at CUHKSZ should purchase an insurance package via http://www.lxbx.net/.

Incoming exchange/visiting students cannot register at CUHKSZ without proof of sufficient insurance cover as required.

If the students plan to travel outside the Chinese mainland during their study, it is highly recommended that they should have other insurances covering their travelling durations and destinations.

For more details, please visit https://oal.cuhk.edu.cn/en/incoming_students_insurance.

Visa & Residence Permit

06

Visa

International students should apply for "X" (study) visa at their local Chinese Embassy or Consulate-General with the required documents.

X1 visa is issued to those who intend to study for a period of more than 180 days.

X2 visa is issued to those who intend to study for a period of no more than 180 days (including 180 days).

The X visa is for single entry

If international students would like to visit outside the Chinese mainland during their study at CUHKSZ, they need to apply for a Residence Permit within 30 days upon arrival in China to obtain multiple entries qualification. Detailed information about the application procedure of Residence Permit will be provided after their arrival.

Residence Permit

The residence permit for study is issued to persons who pursue long-term (exceeding 180 days) studies in China.

Please note

- For the latest information regarding visa application, students should contact their nearest Embassy/Consulate of China.
- After students arrive in the Chinese mainland, the X visa for single entry cannot allow them to exit and re-enter the Chinese mainland. Students must stay in the Chinese mainland until the Residence Permit is granted.

Fees & Expenses

07

Tuition

- Exchange students shall pay tuition fees to their home institutions.
- Visiting students shall pay tuition fees to CUHKSZ. Tuition fees will be charged according to the amount of credit units taken at CUHKSZ. The calculation is based on the prevailing tuition level and subject to review from time to time.

Daily Cost

Approximately CNY3,000/month to meet living expenses such as food, books, transportation, etc.

Health Check

CNY500-800

Residence Permit Application

- CNY400/term
- CNY800/academic year

Housing

4-bed dormitory

Term Exchange Propgramme

- CNY1,200/student/term
- CNY2,400/student/academic year

Summer Session

- CNY2,000/student/summer session
