CULTURE AND USEFUL TIPS

People

- ▣ Most of the Czech university students have an excellent or very good knowledge of English, but some are quite shy and feel awkward speaking it
- ▣ You will find that this is a common trait in all Czech people. Don't give up, talk slowly and clearly, smile, and you will see their shyness melting and their warm heart and sense of humour appearing.
- ▣ Remember that Czech people do not appreciate superficial small talk relationships, they first have to trust you as a person before they start a real dialog.
- ▣ Czechs like to go out for a beer, have BBQ, play football or walk out their dogs

CULTURE AND USEFUL TIPS

Food

- Lunch- meal of the day--> most local restaurants therefore offer special lunch menus (11.30-15.00)- extensive (soup, main dish, desert, drink) and affordable. Ask for a **daily menu** (denní nabídka) instead of the regular
- Tips- locals tend to round their bill. A tip usually makes 10 % of the bill, but leave one only if you are happy with the service
- Try some **craft beer** (Matuška, Břevnovský pivovar, Chotěboř or Únětice)
- Have to try "**CHLEBÍČEK**" and "**VĚTRNÍK**"
- Ask locals what food and drink they enjoy

CULTURE AND USEFUL TIPS

Public transport

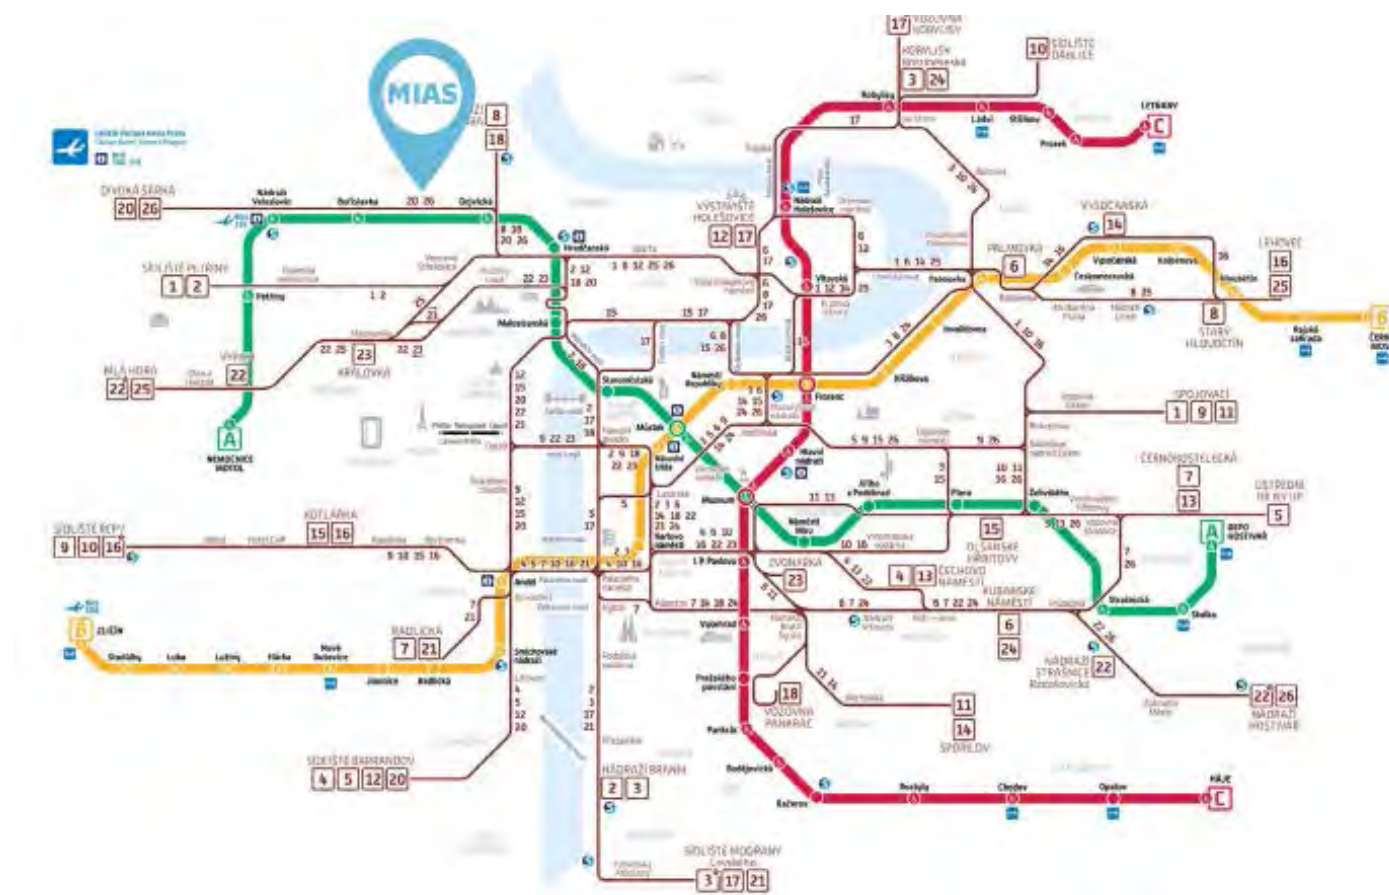

- ▣ Prague has one of the most comprehensive transportation networks in the world
- ▣ Metro and regular trams stop running between midnight and around 5 am and are replaced by night trams during this time

Activities and free time

- ▣ **International Student Club CTU in Prague**

- Integration of exchange students into life in the Czech Republic and into events at CTU
- **ISC buddy** will contact you on by email, picks you up at the airport, shows you around, but he or she might also take you to his or her favorite pub
