

Aalto University Mikkeli Campus

*Want to get a unique international
experience in Finland?*

Aalto University
School of Business

Mikkeli Campus

Aalto University School of Business Mikkeli Campus

Come to study business in a truly international atmosphere!

- The best Business School in Finland
- Internationally accredited and highly ranked
- Theoretical studies with real business life experience
- Distinguished professors from all over the world
- Multicultural student body

Interesting and interactive studies

Courses are taught in English throughout the year, also during the summer in the form of intensive three-week modules, dealing one subject at a time.

Sample Courses:

- Global Game Industry
- Business Consulting in the Global Economy
- Principles of Finance
- Gender and Communication in the International Workplace
- Business and Management of Digital Media Production
- Environmental Economics

International studying experience

Our student buddy program, international and tight-knit student community and the staff of the program help you to settle in. During your exchange, you can experience:

- The active student life
- Four seasons of Finland
- Great events and outdoor activities throughout the year
