Restrictions

Course limitations

For Non-Erasmus students there is no access to human medicine, dentistry, pharmacy, law and psychology. Also, admission to certain lectures in practical sports is restricted.

Length of stay at FAU and expected workload

Possible length of stay at FAU

Mobilities for 1 or 2 semesters possible.
Maximum duration is 2 semesters.

Expected workload per semester at FAU
20 ECTS per semester recommended.

Course catalogue of the FAU

Course catalogue of the FAU
can be found **online**.

Requirements for the students

General requirement

Enrollment at the Home University during
the whole stay at FAU.

Length of studies at Home University before the study abroad period at FAU

Undergraduate students:

2 completed semesters at Home University
before the study abroad period at FAU.

Graduate students:

Application in 1st semester possible.

Language of instruction

The official language of instruction at FAU
Erlangen-Nürnberg is German, in some
areas English. The availability of courses
in English varies depending on the faculty.
The language in which the courses of the
respective degree program are offered can
be checked by students with the help of
the **FAU course catalogue**.
Recommendations for the individual
degree programs can be found on our
website. Additionally, information on
language requirements can be found in
the cooperation agreements between the
universities.

As a general rule, if the desired degree
program is not listed on the **FAU website**,
B2 level according to the European
Framework of Reference for
Languages in the language of
study is recommended.

General information

General information for foreign students at FAU

General information for international students can be found on **our websites**.

Academic information

Academic advice

After successful application at FAU, exchange students will receive contact data of the responsible departmental coordinator who will advise them in academic matters. Lectures from past and current courses can be found in our **lecture directory**.

Learning Agreements for Erasmus+ Students

Information about the Learning Agreement will be sent directly to the students during the application process.

Grading system

We offer an overview of the **grading system** used at FAU.

Language courses

Before the start of lecture period

A preparatory German course will be held before the start of lectures. Information to the course fee and its credits can be found **online**.

During the semester period the **FAU language centre** offers language courses in different languages on different levels and free of charge.

Transcript of records

Exchange students can download their transcript of records via one of FAU's online platforms. Further information will be provided to the students during their stay at FAU.

Information on living in Germany

Location

FAU is located in Erlangen, Fuerth and Nuremberg, further information on our cities can be found **online**.

Cost of living

On **our website**, we provide a list of costs of living that are to be expected.

Accommodation

Information to housing search can be found **online**. Exchange students will receive additional information on accommodation after their admission to studies at FAU.

Entering Germany

Information on entering Germany can be found on **our websites**.

Health insurance

In Germany health insurance is obligatory. Accident insurance and liability insurance is highly recommended. All insurances should cover the whole stay in Germany. Exempted from the obligatory German insurance are all students with European health insurance and EHIC. Travel health insurance: non-EU citizens should have travel health insurance at least valid until the start of lectures. Please be aware that international travel insurances are not sufficient and will not be approved by FAU and German authorities.

Additional services for students

Buddy program

International students can register for our **buddy programme**.

Student services

FAU offers a wide range of **student services**.

Individual support to questions around studies at FAU

Information to advise services around the studies can be found **online**.
