

Indian Institute of Foreign TradeNew Delhi Student Exchange Fact Sheet- 2023-2024

International

The Indian Institute of Foreign Trade (IIFT) was established in 1963 by the Government of India as an autonomous organization to help professionalize the Country's foreign trade management and increase exports by developing human resource; generating, analyzing and disseminating data; and conducting research courses on foreign trade for the civil servants.

Over the years IIFT has evolved from being a center of foreign trade to a complete business school that now rests on a tripod:

- <u>MBA (International Business) Programme</u>: The MBA (IB) programme offered at IIFT is an integrated course which has been designed with utmost foresight, keeping in mind the requirements of the constantly evolving global economy. Areas of Study include Marketing & Business, Management, Finance and Economics which are 100% taught in English.
- <u>Research</u>: Research activities occupy a critical place at IIFT. The Institute has so far brought out over 650 research studies and surveys. It has also developed substantial consulting capacity in analyzing international business situations and developing appropriate corporate strategies for institutions like FICCI, CII, FIEO, CID Harvard University, European Union Office, USAID, UNDP, ESCAP, Commonwealth Secretariat and Central & State Government of India.
- <u>Management Development Programmes (MDPs):</u> The Institute has trained more than 40,000 business professionals across 30 countries in various facets of international business and trade policy via its Management Development Programmes.

Student Exchange

IIFT Exchange Programme is an outcome of the institute's academic collaborations and are an endeavors towards showcasing IIFT's legacy of around five decades and at the same time to also gain from the expertise of the partner institutions.

Students from partner institutions come as exchange student at IIFT for a semester/trimester and gain expertise and know-how on their chosen subjects besides getting a firsthand exposure on the drivers of economic growth in India and learning in an academics stimulated environment.

IIFT is presently having collaborations with universities across the globe viz. those in Europe, Asia- Pacific, Asia, North America, Australia and Africa.

List of partner universities can be downloaded from the following web link: https://www.iift.ac.in/iift/international-collab.php

In addition, IIFT has been successfully strengthening its relationship with international organizations by signing MoUs and participating in their activities or taking collaborative initiatives.

IIFT is a member of a number of international organizations, a list of which can be downloaded from the following web link: https://www.iift.ac.in/iift/international-affilation.php

Reaching IIFT Campus:

Students fly to Indira Gandhi International Airport (situated at New Delhi), which is approximately 30 minutes' drive to IIFT Campus. If you are in need of Indian Currency, your currency can be easily changed at a shop just after the customs (at the arrival lounge). This should be done preferably from the SBI or Thomas Cook counters inside the airport lounge.

It must be kept in mind, not to interact with people who approach you offering for help as they may be touts. Please take care of your luggage.

There are two options by which you can reach IIFT Campus:

1.Head towards the Delhi Traffic Police prepaid Taxi/TSR booth (which is just before the exit gate) and tell the person on duty that you need to go to the below mentioned address:-

INDIAN INSTITUTE OF FOREIGN TRADE B-21, Qutub Institutional Area, Behind Qutub Hotel New Delhi – 110016 (Opposite Katwaria Sarai)

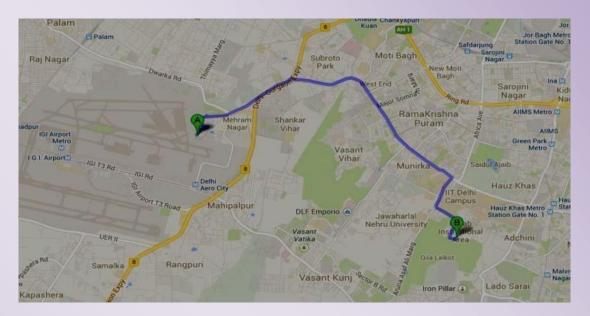

The dealing person would then tell you the amount for the taxi fare. Pay the amount. The person will issue you two (2) duly signed receipts indicating the Taxi/TSR number, destination, service charges and baggage charge, if any.

The yellow and black colored taxis would be queued up to leave, take the taxi and give one (1) receipt to the taxi driver and retain the other with you. Tell the driver that you have to go to Qutub Institutional Area, Opposite Katwaria Sarai.

Note: One can SMS at 56767 for any complaint regarding misbehavior by TSR/Taxi drivers.

2.Else, you may avail **Radio-Taxi**. They are slightly expensive but more comfortable. All cabs are air conditioned and are backed by GPS technology to track location. There are 2 types of radio taxi which are available at the T3 International Airport Arrival: Meru cabs (greencoloured) and Mega cabs.

For your convenience, driving map to reach from IGI New Delhi to IIFT has been provided below:

- ➤ Indira Gandhi International Airport, New Delhi- 110037
- ▶ B 21, Qutub Institutional Area,
 Behind Qutub Hotel
 New Delhi 110016
 (Opposite Katwaria Sarai)

After reaching IIFT, meet the student exchange coordinator, Dr. Jacqueline Symss (Room no. 406, Administrative Building, Block I). Thereafter, meet Ms. Lhingboi Haokip (MBA Cell) (Room No. G-5, Academic Block) along with your Course Selection Form for registration into the program. Next meet with the **Programme Associate** on the 2nd floor, Room No. 205, Academic Block for the time-schedule for the classes. Then, register your laptop with the Computer Centre (**Mr. Bala**) at (Atrium, Basement, Admin. Block) IIFT for accessing Wi-Fi connectivity and obtaining the IIFT student email ID.

Facilities

Spreading over six acres of land and overlooking the green ridge and historical Qutub Minar, the IIFT Campus provides an ideal environment for academic excellence. The facilities available on campus include centrally air-conditioned lecture halls with modern audio-visual aids, conference halls for round-table conference, an auditorium of 500 seating capacity, MDP Centre and three Computer Centres.

Academic Block and Administrative Block

The **Academic Block** houses all the classrooms of the students. The lectures of the students are held here. Besides this, at the ground floor of the academic block, there is the Graduate Studies Division where staff offers student services and support.

About Computer Centre

Recognizing the importance of technology in education, IIFT's Computer Centre has implemented the latest state of the art IT infrastructure to provide a competitive advantage in its core areas of education and research. The Computer Centre aims at providing 99 percent uptime including ensuring server uptime, data recovery and backup, facilitating storage management, hardware, network operations, streamlining operations and simplifying end-user support.

Delhi Campus

For its internet requirements, the IIFT avails 150 MBPS leased line from two different ISPs on load balancing. The computer lab for the students is open 24X7 with adequate number of desktop computers. These are fully supported with application software such as SPSS, EViews, SAS, etc.

India Trade & Prowess databases from CMIE are also available on the Institute's network.

Comprehending the recent advances in functional data analysis and high-dimensional statistics, IIFT, besides the Computer Lab, has an exclusive Data Analytics & Simulation Lab (DASL) with 40 computers with software such as SPSS, Hadoop, SAS, etc. for Data Analytics and Simulation Courses. Apart from this, IIFT also uses video conferencing facility for training, research activities besides connecting IIFT Delhi & Kolkata for internal meetings, etc. IIFT's recent foray in the online education platform has been possible with the state-of-the-art IT infrastructure support being provided for the conduct of online programmes, which has enabled IIFT to conduct online sessions on a real time basis using broadband facility.

IIFT also has a fully integrated in-house developed platform, named "Campus360" (http://campus360.iift.ac.in) that provides convergence facility to the faculty with the students and the programme office. The Campus 360 enables online attendance, sharing of courseware, result processing, online quiz, opinion polls, assignment submission, dissertation/research project submission, elective selection, port visit option, language selection and many more related activities.

Kolkata Campus

Kolkata Campus is having 100 mbps for its Internet requirements besides 20 mbps NLD between Delhi & Kolkata campuses. WiFi services are also made available to the students in the campus. Libsys, Prowess, India Trades services have been facilitated locally from IIFT Kolkata Digital lab at IIFT Kolkata is well equipped with 30 latest model computers for student access. Kolkata campus also has an online classroom studio to conduct online certificate and executive programmes.

Housing/Accommodation

IIFT does not provide on campus housing facilities to foreign exchange students but has made adequate arrangements to facilitate their accommodation needs. The following is a list of agencies willing to offer accommodation for foreign exchange students during their period of study at IIFT. The below mentioned agencies have been personally contacted for a special price applicable for foreign exchange students of IIFT only. For safety and security purpose it is suggested that exchange students may contact the below mentioned facilities. It is requested that students may individually get in touch with any one of the agencies based on your requirement and budget. Details are as follows:

Life in Delhi

Delhi, the capital of India epitomizes both the past glory and the modern developments of the nation. A visitor to this place is left with no other option, but to be enchanted by the magic of bygone years and thrilled by the aspirations of the modern India. The area abounds in great locations where the tourists can have an exciting time. If you are planning to visit Delhi, be prepared to be surprised by the way tradition meets modernity in this metropolitan city.

Delhi has extreme climate with very hot summers and cold winters. Average temperature varies from 45degree Celsius (Max.) usually in May –Jun, 5 degree Celsius (Min.) usually in Dec – Jan. The diverse religions practiced across Delhi include Hinduism, Islam, Sikhism, Buddhism, Jainism, Christianity, Zoroastrianism, Judaism and Bahai Faith. Hence all the major festivals of

India are celebrated with same vigour and delight in Delhi. It demonstrates the great Indian phrase 'Unity in Diversity'.
