OBJECTIVE:

To create World Class professionals, it is important for them to be exposed to the world. The Culture and economic differences between the developed and developing world are too vast to be simply taught in a classroom. It is only by immersing oneself in the foreign lands that one learns to appreciate them.

Hence IMI Bhubaneswar started an international exchange program initiative – a process through which our students do a part of their studies in an International Business School. At the same time, foreign students & Faculty comes to IMI to understand the working and mindset of one of the potentially largest market in World.

CONTACTS:
