Please find below an approximate budget for a student at Techno India. Students are advised to carry enough money upon their arrival in India as there might be a delay in obtaining a cheque book and ATM/ credit card after opening a bank account. It is advised that the students carry an international credit card.

Room	400 - 450 Euro + 1 month rent deposit (refundable) per month
Food	150 -200 Euro per month

Personal Expenses	50 - 100 Euro per month
Bus Coupons	20 - 100 Euro (in case if taxi or car is availed) per month
Student Health Insurance	NA (As advisable, students are required to do their health insurance from their home country itself)
Complementary Health Insurance	NA
Civil Responsibility	Nil
Residence Permit	Nil
Total per month (Average)	700 Euros (Around 56,000 INR as per the current conversion rate)
Courier charges	56 Euros (approximately)

The students will be guided for accommodation located near to the campus and will be introduced to the private landlords. The point of contact is Ms. Kamelia Biswas, email id – biswas.kamelia@gmail.com

INSURANCE

- **TRAVEL INSURANCE**
  Students must make sure they have taken out travel insurance with emergency medical evacuation in case of serious health problems, accident, etc. before leaving their country. *Visa requirements often include emergency medical evacuation and repatriation insurance*.

- **HEALTH INSURANCE**
  All students are required by Indian Law to take out the Health Insurance from their home country itself. It is advised that students take out their Health Insurance while attending the Indian Universities.

- **ACCOMODATION INSURANCE**
  All students must sign a contract during the stay period with the Landlord.

WELCOME TEAM

The "Namaste" team of Techno India Group is associations of faculty members and students who welcomes all international students and help them to associate well with the college and adhere to the life at Techno India. The "Namaste" team provides a pick-up service to collect students from Netaji Subhash Chandra Bose International Airport, helps them settle in their accommodation, helps them in local sight-seeing and helps in arranging for long trips and weekend trips, both across India. The team also helps them to attend co-curricular events with Indian students.

VISA

Visa guidelines are as per the rules and regulations of the Partner country Embassy and the Indian Embassy.

FACILITIES

Central Library, Swimming Pool, Cafeteria, Sports facilities, WIFI access, Language Training (Bengali & Hindi), Indian Cuisine training, etc.
