INTERNATIONAL EXCHANGE PROGRAMMES

The MIU-ASIA Programme aims to encourage cross-cultural dialogue between youths from different countries while introducing students to the biodiverse, multicultural richness and age-old culinary heritage found only in Malaysia. It is delivered through formal and nonformal curriculum in collaboration with our industry partners so that students do an industry project and/or a community project.

EXCHANGE STUDENTS GET TO:

- Study programmes taught in English (except for local language studies)
 - Transfer of Credits (1 semester)
 - Certification (Doing business in Asia)
- Courses: Detailed list of modules available on request.

DEADLINES:

Nomination **31 January 2021**

Online nomination using the nomination form to be sent to our partner universities. Following nominations, students will receive the admission form requesting formal admission documents.

REQUIRED ADMISSIONS DOCUMENTS:

Nomination form submitted by Home University to student.services@miu.edu.my with:

- Two passport-sized photographs
- Copy of passport
- Official Transcripts certified by Home University

HOUSING

Students will be accommodated as residents in the University Hostel on campus. Students can request for single or double accommodation rooms. Should the student have any questions, please contact the mobility team.

INSURANCE

Students must make sure that they have a valid travel insurance with emergency medical evacuation. In addition, students are encouraged to subscribe to a private insurance arrangement during their stay in Malaysia. Students will be advised on the insurance options during the Admissions process.

VISA

Students must apply for a student visa once they receive the Acceptance Letter from MIU. While MIU will guide the student through and facilitate the application process, students are advised to check with their Home Country Embassy or Consulates for details of the visa requirements and other travel advice.

AIRPORT GREET AND MEET

The International Mobility Team together with a Student Representative Council leader will welcome International Students and conduct the initial orientation activities. These are designed to integrate the students to the university system and help with daily living in Malaysia. The cultural programme will provide tourist trips and interactions with Malaysia students during the course.

FACILITIES
