

Taylor's University is ranked 89th in Asia in the QS Asian University Rankings 2021. Taylor's is also recognized as Malaysia's and Southeast Asia's Top Private University.

The University benefits from state-of-the-art facilities and a well equipped campus. Taylor's University emphasises a blended learning approach, where students are able to utilise virtual learning material and collaborative learning tools, to expand their learning experience beyond the classroom. All courses are taught in English.

Studying at Taylor's presents an opportunity to meet a diverse range of students from different cultures and backgrounds.

Highlights of exchange, student activities and support

- Diverse exchange students
- All classes are taught in English
- Orientation Programme and Welcome Reception
- Student Welfare offers a range of support services for all our international students including the exchange students
- Great starting point to visit the rest of Southeast Asian countries such as Singapore, Thailand, Indonesia, Vietnam, Cambodia, etc
