ACADEMIC COURSES

At the **UNDERGRADUATE** level, we offer a wide range of courses taught in English, catering to international and local students.

*Students with a B2 level of proficiency in Spanish may enroll in any of our courses, except those identified with an ENG code. It is recommended that students verify with their schools which courses are acceptable and ensure they meet the prerequisites for enrollment.

Below, you'll find a list of recommended courses for our international students. Please note that this list serves as a reference guide and is subject to change. Additionally, while we've highlighted some of the most popular courses in Spanish provided, there are many more available. We encourage students to review our study plans and visit our website at https://intercambio.itam.mx/en/ for more information.

SCAN FOR ACADEMIC COURSES

The majority of **GRADUATE** courses are taught in **Spanish**. For information on other Master's level courses, please contact us at: exchange@itam.mx.

MBA Courses taught in Spanish

Since our undergraduate programs typically last 4 to 5 years and are a very high academic level, graduate students often opt for classes taught in English from higher-level undergraduate programs.

Visiting students are welcomed, but they must be full-time students registered in a university-level program. Additionally, they must have successfully accredited one full year of their degree.

Please contact exchange@itam.mx and provide an updated academic transcript and a school letter indicating that you are a registered full-time student. Admissions will depend upon availability.

GRADING

We recommend Exchange Students to take a minimum of **4 courses** per semester or trimester to maintain a full-time student status while at ITAM. Undergraduate courses are, on average, equivalent to 48 contact hours and 6 ITAM Credits. (Six ITAM credits are equivalent to 5-6 ECTS Credits or three US credits.).

All undergaruate courses are in person classes. You must have at least 80% in-person attendance in class to be eligible to take the final exam for the course.

Graduate Trimestral courses are, on average, equivalent to 33 contact hours and 4 ITAM credits. All courses are taught in Spanish.

Students must verify conversion-revalidation with their institution as well as courses revalidation.

The grading system is on a scale of 0-10, with 6 being the minimum passing grade.

A digital transcript will be sent to the home institution and the student, once the results for all courses have been reported.
