*Students from other disciplines can be accepted as long as they take business courses and meet their pre-requisites.

Other Campuses may receive exchange students on the Winter and Summer Terms on certain advertised programs.

ACADEMIC OFFER

Regular Courses	Undergraduate courses are taught in both English and Spanish.
Undergraduate Research Projects	Research projects at any of our research centers, advised by research specialists. (Can't be combined with other programs)
Spanish as a Second Language, Mexican Culture and Doing Business in Latin America	Language and culturally oriented courses to learn to speak Spanish and obtain knowledge about Mexico and Latin America.
Concentrations	A concentration is an 18-credit academic specialization in a certain discipline that can be completed in one semester. After completing this program, students will receive an official diploma of recognition.
iSummerMx and iWinterMx Programs	These are itinerant programs where students will visit several campuses in different cities traveling and learning about multiple regions of Mexico.

For Tec Winter School and Spring Semester 2024, the catalog can be reviewed at the following website: [Course Catalog](#)

IMPORTANT

- Courses in the School of Medicine and Health Sciences are only available on the campuses of Monterrey, Guadalajara, and Ciudad de México. The School of Medicine and Health Sciences in Monterrey is located 7.6 Kms away from the main Campus.
- To enroll in Health Sciences courses, approval from the School of Medicine and Health Sciences will be required.

LANGUAGE REQUIREMENTS

- Students who want to register **courses taught in Spanish**, and whose mother language is not Spanish, must have an **Advanced level of Spanish (B1 MCER / CEFR)**. A Spanish Placement Test will be provided before the selection of courses.
- Students who want to register **courses taught in English**, and whose mother language is not English, must have an **Advance level of English (B1 or equivalent)**. Proof of Language Proficiency will be required before the selection of courses. For more information check our list of [authorized proof of English language proficiency](#).

HEALTH INSURANCE POLICY

One of Tec de Monterrey’s main concerns is the health and safety of all our community; therefore, it is **MANDATORY** for all international students to be covered by an international health insurance plan that complies with at least the following coverage:

Concept	Minimum amount (in USD)
Medical expenses in case of sickness/accident	\$210,000
Medical evacuation in case of sickness/accident	\$210,000
Repatriation of remains	\$50,000
Travel expenses for a companion	\$4,000
Civil responsibility for third-party liability	\$100,000
Injuries caused by the amateur practice of a high-risk sport	Included
Injuries caused by a weapon in case of assault or robbery	Included
Guarantee of direct payment	Included

After admission and prior to their arrival in Mexico, students **MUST** provide proof of coverage that includes the above minimums. Failure to do so will result in an automatic charge of Tec de Monterrey’s institutional insurance (**CHUBB INSURANCE**).

CHUBB Insurance

In case a student does not have a health insurance and is looking for a recommendation, we suggest the one offered by **CHUBB** since it is a Tec de Monterrey institutional provider for international traveling.

If you want more information about this insurance, go to:
<https://intercambiostec.bluassistance.com/asegura>

IMPORTANT INFORMATION

VISA

The visa required to study in Mexico is defined by the nationality of the student.

- **Non-restricted nationalities:** Require an FMM (migratory form obtained upon entry to the country), and do not need a student visa if the stay is for 180 days or less (semester or summer terms).
- **Restricted nationalities:** Require a visa that must be issued at any Mexican consulate or embassy, regardless of the time of stay. To review the list of restricted nationalities, visit: <https://bit.ly/INMrequiredvisa>

IMPORTANT

- For everyone coming to Mexico for less than 180 days, we highly recommend to bring at their arrival: Tec de Monterrey admission letter, proof of residence address in Mexico, bank account statement, and return plane ticket.
- Everyone coming to Mexico for more than 180 days (a year or more), is required to have a student visa.

APPLICATION PROCESS

NOMINATION

- Click [here](#) to nominate your students.
- Input the **username** and **password** that you should have received via email. If you don't have this information, request it to your Incoming Student Advisor at Tec de Monterrey.

APPLICATION

- Students will receive an email with the information to start the application after they are nominated. **Please ask your students to check their junk and spam folders** if they don't receive the email.
- As an admission requirement, students must **upload a copy of their valid passport**. The passport must be valid when applying and until a minimum of 7 days after the last day of academic activities.
- The admission decision will be sent via email.

TRANSCRIPTS

Transcripts will be sent approximately two months after the end of each academic term as long as the student doesn't have a pending balance or a missing grade in one or more courses. For any questions regarding the transcripts, please contact: studyinmexico@itesm.mx and your regional advisor from Tec de Monterrey.
