

UNIVERSIDAD DE LIMA

STUDENT EXCHANGE PROGRAM

THE UNIVERSIDAD DE LIMA IN THE WORLD

Peru is currently one of the biggest poles of development and investment in Latin America. Therefore, it has a global vision that the Universidad de Lima shares through an academic proposal capable of combining humanistic values with the search of the scientific truth.

Since 1962, we have trained highly qualified professionals, who are at the service of our society, thanks to an education in line with ethical and democratic principles. A philosophy that also marks our internationalization process focused on erasing the boundaries between our University and the world.

By means of our External Cooperation Bureau, we build bridges that connect us with foreign institutions so that our students and foreign students may share high-value academic experience. These initiatives contribute to defining the essence of being part of the Ulima community.

Our academic undergraduate programs

We have twelve academic undergraduate programs led by professionals with an excellent reputation in the academic and occupational spheres.

Academic calendar

Our academic year is divided into two regular terms (first and second semester) and one short term during summer.

January – December

First semester	April – July
Second semester	August – December
Summer term	January – March

The deadline for the submission of applications is as follows:

First semester (April-July): until February 15

Second semester (August-December): until June 15

Ulima was assessed by the QS Stars Rating System in 2018

Quacquarelli Symonds (QS), an international rating company which created one of the world's most prestigious university rankings, awarded the University of Lima with four (4) stars in teaching, four (4) stars in employability, four (4) stars in internationalization, four (4) stars in innovation, and five (5) stars in inclusiveness.

Cost of living (Monthly)

We offer advice to the foreign students who require information on accommodation and cost of living in Lima. To this end, they must contact our External Cooperation Bureau so that they may coordinate house rent prices, among other details.

Accommodation	Food
USD 300 - 400	USD 150 - 200
Local transportation	Personal expense
Bus: USD 40 Taxi: USD 100	USD 100

Peru, flavor and culture

Peru offers its visitors a huge variety of tourism experiences. Its three natural regions —coast, highlands and jungle— house cities rich in history and culture, the top-quality gastronomy of which has made us a central country in Latin America
