ACADEMIC INFORMATION

LANGUAGE OF INSTRUCTION AND LANGUAGE REQUIREMENTS

At the Undergraduate level, elective courses are mainly taught in English and most of the core courses are taught in Portuguese. At the Master level, all courses are taught in English.

Students must have the required level of spoken and written English equivalent to B1 level, according to the [Common European Framework of Reference for Languages](#). Nonetheless, no certificate needs to be delivered.

PORTUGUESE LANGUAGE COURSES

Portuguese language courses for exchange students are provided in collaboration with the Faculty of Human Sciences. These are **paid courses** offered every semester, starting at the beginning of September and February. There is an intensive (1.5 ECTS) and extensive (4.5 ECTS) course and full details on costs are sent by e-mail to all students.

COURSE OFFER

Our programs are full-time, and classes take place during working hours. After completing the application students will receive their individual credentials to access the updated Course Catalogue through CATÓLICA-LISBON's internal website.

 Course enrollment is made on a "first-come, first-served" basis, which means we cannot guarantee slots in courses. To ensure a smooth process, we recommend having contingency plans (plan B, plan C) with alternative courses for enrollment.

For reference, check the courses available in the 2023-2024 Academic Year:

ACADEMIC INFORMATION

EXPECTED WORKLOAD

30 ECTS is the normal semester workload for a CATÓLICA-LISBON Undergraduate student, and **28 ECTS** for a Master student. The workload may include lectures, quizzes, mid-term tests, group assignments and/or a test at the end of the semester.

The maximum workload per semester for an exchange student is 33 ECTS if including an optional and paid **Portuguese Language course**. Exchange students, however, should follow their home Universities' guidelines.

Please note that 1 ECTS-credit point stands for close to 6 contact hours and an estimated workload of around 25 to 30 hours. To determine the number of contact hours of a course, the process should be as follows:

NUMBER OF HOURS OF A CLASS PER WEEK x NUMBER OF WEEKS THE CLASS TAKES PLACE

For example, a 3.5 ECTS course equates to 3 hours of class per week, and because it is a trimester course, it runs for 6 weeks, therefore, $3 \times 6 = 18$ contact hours.

However, a 7 ECTS course equates to 4.5 hours of class per week, and being a semester-long course, it runs for 12 weeks, therefore, $4.5 \times 12 = 54$ contact hours.

GRADING

LONG-DISTANCE EXAMS

In case of overlapping academic calendars or proven illness, CATÓLICA-LISBON may allow the performance of long-distance exams, either sending CATÓLICA-LISBON's exams to be supervised at the Partner Universities or invigilating exams from Partner Universities.

Long-distance exams must be conducted on the same date and at the same time as they would occur in Portugal. If approved, the International Office and Students Affairs office will collaborate closely with the Partner University and the student to make all necessary arrangements.

ACADEMIC INFORMATION

TRANSCRIPTS OF RECORDS

The official Transcripts of Records will be sent by email directly to students and Partner Universities as well as uploaded to the MyExchange platform, **4 weeks after the end of the semester** (end of February or at the end of July).

CERTIFICATE OF ARRIVAL / DEPARTURE

Certificates will be made available at the MyExchange platform upon the student's arrival/departure. These Certificates are issued based on CATÓLICA-LISBON's template; if our template does not comply with the Home Institution guidelines, we kindly ask the Coordinators to reach out to the International Office team.

In case students arrive after the Welcome Day, or leave before the official semester end-date, they should contact the Incoming Coordination.
