* **BA3** and **BA4** indicate bachelor courses in the 3rd and 4th year of study, **MA2** – master courses in the 2nd year. **IN** – courses are held only for exchange students.

** A course should be offered only when it meets the minimum enrollment threshold.

Bachelor students can take only bachelor courses – BA3, BA4 and courses for exchange students - IN, master students can take bachelor courses – BA3, BA4, master courses - MA2 and courses for exchange students –IN.

The maximum course workload is 30 ECTS.

Foreign students are able to choose any combination of courses due to the special schedule design (no overlaps).

The precise schedule will be available only at the very beginning of each semester.

Lomonosov MSU BS reserves the right to cancel any course registration in special cases.

Attention! Not all universities can recognize ECTS received for course “Russian for Foreigners”. This question is to be discussed with a home university coordinator.

If these ECTS are not recognized, but the student is interested in learning Russian, he/she is still able to take this course.

In this case the total maximum course workload can be increased up to 35 ECTS (5 of which will be not recognized by a home university), if an official email request is provided by a home university coordinator.
