About HSE Saint Petersburg Established in 1992, Higher School of Economics (HSE) is one of youngest and most dynamic Russian universities with teaching and research excellence in Economics, Management, Social Sciences and Humanities. HSE University is ranked #31 by QS Top50Under50 and #57 by THE among the young universities worldwide.

Since 2009, HSE bears the status of a 'National Research University', a mark of highest research impact and excellence in research-led education. Within the elite group of all 29 National Research Universities, HSE is the only institution of Economics, Social Sciences and Humanities core profile.

HSE has become one of the leaders of the "Priority 2030" in the direction of "Research Leadership". The main focus of the HSE development program is on the creation of a qualitatively new human capital in Russia, the creation and dissemination of advanced knowledge and technologies, and the strengthening of Russia's position in the heightened global competition.

HSE has established its Saint Petersburg campus in 1998 with its vision & mission to serve as the international hub. Today HSE - Saint Petersburg embraces 6000 students, including 13% international students from 60+ countries. There are 4 Schools that are available for student exchange:

- St Petersburg School of Economics & Management
- St Petersburg School of Social Sciences & Area Studies
- St Petersburg School of Arts & Humanities
- St Petersburg School of Law

We offer 3 undergraduate and 5 graduate programmes fully in English, which also allows for a rich, multidisciplinary selection of English-taught courses to exchange students. Russian Language course is offered to all international students. 15 research units of HSE Saint Petersburg provide great opportunities for guided research work and academic internships.

Along with magnificent landscape of Saint Petersburg city, a UNESCO Heritage cite, our highly internationalized on-campus student services, ESN Club, state-of-art study facilities and dormitories create a fascinating and motivating environment for international students from all around the world.

Study Plan

Courses eligible for exchange students

All courses are open to exchange students, provided that the student complies with course prerequisites and language requirements. The list of courses in English can be found in HSE University Course Catalog (<https://www.hse.ru/en/edu/courses/>).

For more information please contact the International Office.

Course selection & workload

The preliminary course selection is done before the start of each semester. The HSE University St Petersburg coordinator will send a student the instruction on how to sign up for the preliminary chosen courses in the LMS system 4-10 weeks before the start of the semester. The first two weeks of each quarter is the period when changes in the student's study plan are possible. For more information please see Course selection process section on our website (<https://spb.hse.ru/io/semester/studies>)

*Exchange students normally take a workload of up to **30 ECTS** per semester.*

Russian language course

HSE Saint Petersburg offers all exchange students a one-semester-long intensive Russian language course (8 ECTS) free of charge. After the placement test during the orientation program, the students will be split into groups according to the level of language proficiency. Please find more information in Russian as a Foreign Language section: <https://spb.hse.ru/io/semester/studies>
