

HANYANG UNIVERSITY

Visiting Student Program

Hanyang's Visiting Student Program offers opportunities to students from partner or non-partner institutions to study for a semester or a year in one of Korea's best universities located in the center of Seoul, the capital city of Korea. In addition to gaining academic excellence, students can also enjoy various student activities and cultural experiences.

Program Schedule

- Spring Semester (March-June)
- Fall Semester (September-December)

**Visiting student program is semester-based and student can apply up to two (2) semesters.*

Application Period

- Spring Semester : October 1 ~ November 30
- Fall Semester : April 1 ~ May 31

Eligibility

1. Must be currently enrolled in higher institution
2. Must completed at least one (1) semester by the time of application
3. No GPA or Language Proficiency Required

About Program

1000+ English Courses

Each year Hanyang offers more than 1000 English courses from 15 Colleges and 61 Departments, such as College of Engineering, School of Business, College of Economics and Finance, Division of International Studies, and College of Humanities.

Course Registration

Course registration begins 1 month before the beginning of the semester. Students would be required to choose 1 department of their preference among approximately 60 departments available at the application stage. **Although each student will be registered to a specific department, all students will have opportunities to register for desired courses beyond their department.** For example, a student registered at a department in the College of Engineering would be able to register for courses in the School of Business, College of Social Sciences, Division of International Studies, etc.

Credits and Transcript

Following the US academic system; 1 credit equals 15-16 contact hours, students can take up to 20 credits at Hanyang. The transcript will be mailed to the student's home approximately one month after the semester.

Nanodegree

Nanodegrees provide students the opportunity to build basic, essential skills to start a career in their fields, and to supplement their credentials with an additional academic achievement. A nanodegree requires 6 credits (2 courses) and can be completed in one semester. Students will receive a certificate and digital badge from Hanyang University for each Nanodegree that they earn.

Cultural Immersions and Activities

While deepening the academic performance through fine courses, Hanyang arranges various opportunities for students to immerse in Korean culture and join interesting activities that can enrich students' experiences in Korea. Events & activities organized for students vary for each year and semester.
