SolBridge's credit system

Bachelor students need to complete 132 credits to graduate over the period of four years (8 semesters). Students can take up to six courses per semester for a maximum amount of 18 credits. Most courses at SolBridge are worth 3 credits. In comparison with the ECTS system, 3 credits are equal to 5 ECTS. To be able to graduate with one of the chosen specialization students shall write and defend a Bachelor's degree thesis, which is relevant to 3CP.

MBA students need to complete 36 credits to graduate in one year.

MS students need to complete 45 credits to graduate in two years.

Language skills

Within the curriculum, regular BBA students are encouraged to take intensive Korean language courses to get a decisive advantage when entering the job market in Korea, or abroad. BBA transfer/dual degree and graduate students are free to choose extra foreign languages as electives.

Study abroad opportunities

SolBridge offers exchange, study abroad, and dual degree opportunities with over 250 partner universities in 60 different countries. Students can spend one or two semesters abroad in places such as Canada, the United States, Europe, East and Southeast Asia.

Dual degrees at Bachelor (2+2, 3+1) and Master (1+1) levels are available.

Tuition scholarships

Tuition scholarships are merit-based and depend on a combination of the English score (IELTS, TOEFL IBT) and the average GPA. The amount ranges from 30% up to 100%. Scholarships are given for one academic semester for all eligible regular and transfer students. They are renewable if students maintain a GPA of 3.6 out of 4.5.

Accreditations

SolBridge was awarded several national and international accreditations and awards:

- **AACSB accreditation** (May 2014): the Association to Advance Collegiate Schools of Business is the most prestigious international accreditation body for business schools. The AACSB accreditation helped SolBridge further enhance its recruitment and internationalization efforts with prestigious partnerships. SolBridge renewed its AACSB accreditation in February 2019.
 - Awarded the **'Innovation That Inspires'** prize by AACSB in January 2022.
 - **Most outstanding international department in Korea – Creative Korea Project** (2014 - 2025): a grant of USD 5.1 million funded by the Korean Ministry of Education, Science, and Technology to support internationalization on campus.

- **IEQAS (International Education Quality Assurance System) certification** (2013): the IEQAS certification is a guarantee that Korean higher education institutions pursue the goal of internationalization. In 2016, about 80 Korean higher education institutions (out of 200) received this certification. This certification was renewed in March 2019 for four years.

Location

SolBridge is located in Daejeon, 55 minutes away from Seoul by high-speed train. Daejeon is Korea's fifth largest city and is renowned for being Korea's Silicon Valley with about 300 research and development institutions. With a population of 1.5 million, Daejeon has the highest concentration of researchers with more than 10,000 PhD holders living and working in the city.
