## 5. Academic Information

---

### English Course

We offer around 1,000 courses in English per year over various departments. Exchange students are allowed to take courses from different departments upon availability. The most up-to-date course list becomes available a month prior to the beginning of semester. Until then, student should refer to the previous year's course list. (e.g. 2020 Fall semester applicant should refer to 2019 Fall semester course list)

The previous English course list and information on how to find the syllabus can be found on our [website](#).

### Korean Language Course

Two (2) types of Korean language courses are offered for exchange students during their study period at Hanyang: Introductory Korean and Intensive Korean.

### Credits and Study Load

1 HYU credit consists of 15 contact hours. Regular student's study load at Hanyang is 15~18 credits per semester while maximum credits are 20. Exchange students should take at least one regular course to maintain their visa.

### Course Registration

Before coming to Korea, students will have a chance to register courses online. There are different phases for course registration categorized by their major and year and it works on "first-come, first-served" basis. The specific dates will be sent to students directly through email and uploaded to our website: [Academic Calendar](#)

### Evaluation and Grade

Although the evaluation method may differ based on professor's policy, attendance is always an essential part of the evaluation process. Hanyang does not have re-sit examinations so the final grade inputted into the system cannot be changed. Students can take only one P/F course in one semester and most courses will be in letter grade. Please refer to the below chart for the grade system at Hanyang.

Letter Grade	Numerical Value	Grade Point
A+	95-100	4.5
A0	90-94	4.0
B+	85-89	3.5
B0	80-84	3.0

C0	70-74	2.0
D+	65-69	1.5
D0	60-64	1.0
F	0-59	0.0

### Transcript

Transcript becomes available approximately 2~3 weeks after the last day of semester. One (1) copy of transcript will be sent to student's home university upon completion of program. A transcript for students who study at Hanyang for two (2) semesters will be sent to her/his home university only after the end of 2<sup>nd</sup> semester. Extra fees will be charged if students wish to receive additional transcripts of her/his program.

## 6. Campus Life

---

### Housing

Students can apply for Hanyang's on-campus dormitory and the application will be done separately approximately two (2) months before the semester begins. Housing information can be found from [website](#).

On-campus dormitory cannot be guaranteed for all students since available rooms are limited and application works on "first-come, first-served" basis. It is recommended to think of other options as well.

### Buddy Program

Buddies are current Hanyang students who volunteer to support new students for their smooth settlement and adjustment into the life and culture in Korea. Representing Korea as a cultural delegation, buddies will interact with new exchange/visiting students throughout the semester and provide them assistance in various areas. Students can apply for this program when filling out the online application.
