## 2. Important notices

### Enrollment of Graduate Students (Seoul Campus ONLY)

As announced from Spring 2021, Hanyang University has decided to accept exchange students only to the Undergraduate program and is not accepting students to the Graduate program from Fall 2021. Graduate students are still welcome to join the Undergraduate program if the home university permits and will have same eligibility to take the free Korean language courses. (Please note that Hanyang University offers larger number of English courses in undergraduate program).

\* This change will not be applied to the universities directly partnered with our Graduate Schools (Ex, Graduate School of International Studies, Graduate School of Urban Studies, etc.)

### Cumulative GPA Confirmation

To consider and respect as much as our partners' diverse grading system and to meet the qualification of the Hanyang University exchange program, we would like to request a confirmation from the student's home university for the cumulative GPA. There will be a part in the nomination system to confirm that the student's cumulative GPA is over 60% based on home university grading system, and it should be confirmed by the home university coordinator in order for the student to be qualified to apply for the Hanyang exchange program.

## On-Campus Dormitory

On-campus dormitory will not be available until further notice. Instead, we will share useful information that students can refer to when arranging accommodation through newsletter.

\* For partners with reciprocal agreement regarding the dormitory, we will be sending a separate email for further information.

## Self-Quarantine during COVID 19 period

The Korean government is mandating all foreigners visiting Korea to be self-quarantined for 14 days upon arrival, and this regulation may be extended until the 2022 Spring semester. Hanyang University will provide students with further details regarding this issue once decided. For your information, Hanyang University has designated a self-quarantine facility for students in Fall 2021. **Please note that the students need to follow the Hanyang University's regulation regarding the self-quarantine in order to participate in the program.**

## National Health Insurance

The Korean government is mandating all long-term sojourn foreigners to be registered for the National Health Insurance since March 2021. Exchange students will be subject to the registration after applying for the Foreign Registration Card. Please note that the individual health insurance will be still required, as the national health insurance will not be valid until the Foreign Registration Card(FRC) is issued, and it may not cover some unexpected matters related to international students, such as hospitalization and etc.

### English Course

We offer around 1,000 courses in English per year over various departments. Exchange students are allowed to take courses from different departments **upon availability**. The most up-to-date course list becomes available a month prior to the beginning of semester. Until then, student should refer to the previous year's course list. (e.g. 2022 Spring semester applicant should refer to 2021 Spring semester course list)

The previous English course list and information may be found from our [course catalogue](#).

### Korean Language Course

Two (2) types of Korean language courses are offered for exchange students for the spring and/or fall semester during their study period at Hanyang: Introductory Korean and Intensive Korean.

### Credits and Study Load

1 HYU credit consists of 15 contact hours. Regular student's study load at Hanyang is 15~18 credits per semester while maximum credits are 20. Exchange students should take at least one regular course to maintain their visa.

### Course Registration

Before coming to Korea, students will have several chances to register courses online. There are different phases for course registration categorized by their major and year and it works on "first-come, first-served" basis. The specific dates will be sent to students directly through email and uploaded to our website: [Academic Calendar](#)

A transcript for students who study at Hanyang for two (2) semesters will be sent to her/his home university coordinator's email only after the end of 2<sup>nd</sup> semester. Hard copy of transcripts may be sent on requests.

Extra fees will be charged if students wish to receive additional transcripts of her/his program.
