Swiss-European Mobility Programme SEMP (formerly Erasmus)

Within Europe, student exchanges occur under the umbrella of the EU Erasmus+ programme for education, training, youth and sports. Since the academic year 2014/2015, the funding required on the Swiss side has been provided through the 'Swiss-European Mobility Programme', SEMP (formerly Erasmus). The requirements for exchange semesters remain the same:

Your institution must have a partnership agreement with BFH. You can check this by contacting your institution's International Relations Office.

You must have completed the second semester before beginning your time abroad.

You must be proficient in the study language(s) of Bern University of Applied Sciences.

Matriculation and grants

During the SEMP placement, students remain matriculated at their home institution. Students do not have to pay tuition fees at the Bern University of Applied Sciences. During their time in Switzerland students will continue to pay tuition fees at their home university.

Grants are issued under the SEMP mobility programme. The paid-out amount is CHF 1900 or CHF 2200 per semester, depending on the country of origin of their higher education institution.

Country of Home University	Student Mobility for Studies
DK, FI, IS, IE, LI, LU, NO, SE, UK	Allowance for 1 semester = CHF 1900 Allowance for 2 semesters = CHF 3800 Basis: monthly grant CHF 380

The duration of the courses followed at the host institution (welcome days and exams excepted) determines the amount granted for the entire duration of the stay (the allowances below cannot be combined).

- Duration between 3 months + 1 day and 7 months: regular grant, usually applicable to 1 semester or 2 terms

- Duration between 7 months + 1 day and 12 months: yearly grant, usually applicable to 2 semesters or 3 terms

Student Life in Switzerland

International Family Mentor Programme

At the BFH Business School, we have an "International Family" arrangement, where each exchange and international degree student is assigned to an international family. Each international family has two mentors. These are BFH students who volunteer to help one or more of our international students in getting through the first few weeks in their new surroundings.

ESN

ESN is a Europe-wide student organisation, which works for the social and personal integration of exchange students. This work involves organising welcome parties, events, excursions, and personal support during the stay abroad.

Accommodation

BFH does not have on-site accommodation facilities. However, the Business School holds a small allotment of rooms at the student lodging. These rooms are filled on a first come, first served basis. Further information about student lodging and other housing options can be found on our website:

<https://www.bfh.ch/en/studies/studies-life/wohnen/>

Welcome Week

This event is an excellent opportunity to meet fellow international students and coordinators at the BFH Business School. It provides students with useful background information about Switzerland in general and Bern and BFH specifically. The Welcome Week is a **mandatory** week for all Incoming Exchange and Double Degree students. It takes place in the:

- Autumn semester: week 37
- Spring semester: week 7

Campus Facilities

Transport System

The city of Bern has an excellent public transportation system, which extends to neighboring suburbs and towns. A special ticket is available for approx. CHF 60 per month for students under 25. It offers unlimited bus, tram, and train travel for commuting to the Business School and exploring the city and its surroundings. For further details, go to www.bernmobil.ch/

Bern's central location makes it a perfect point of departure for excursions throughout Switzerland. The Swiss Federal Railways offers a railcard (Halbtax-Abo) for approx. CHF 165 per year.
