For the course list, please link to <https://querycourse.ntust.edu.tw/querycourse/>
And the follow the steps:

The screenshot shows the NTUST Course Catalog System interface. The search filters are: Course Code: MA (3), Other English Program (4), SEMESTER: 1082, and LANGUAGE: English (1). The course list includes:

Course Code	GE Type	Course Title	Credits	Required/Elective	Full/Half Yr.	Instructor	Total Registered
MA5401701	5	Leadership and Communication	3	E	H	kristine V. Tuliao	23(23 / 0)
MA5406701		Supply Chain Management	3	E	H	Shih-Hao Lu	70(70 / 0)

- Choose Language: English
- Choose Semester 1082 (this means Spring 2020); the courses for Spring 2021 will ONLY come out at the end of this year. Usually there is not much difference from the previous year.
- Choose 'MA' as the course code
- Choose 'Other' and select 'English Program'
- Select 'search' and the list of courses taught in English will come out, scroll all the way to the right to see the course outline, and you can also save as excel.
