Courses

- The language of instruction at Taiwan Tech is mainly Chinese; however, the university offers more than 160 courses in English every semester at Graduate Level.
- **(NEW)** An Engineering program at Undergraduate level 'International Advanced Technology Program is available in English. <https://iatp.ntust.edu.tw/home.php>
- Detailed information on courses can be found at <https://qcourse.ntust.edu.tw/querycourse/querycondition.aspx>
If course list is not available for 2019 fall semester, you could refer to 2018 fall as most courses will be the same.
- Course selection information will be announced by the Academic Affairs Office. Courses usually announced 1-2 months prior to semester start.

Minimum Credits or course selection regulation per semester

Bachelor: 9 credits. Students at last year of bachelor's level are allowed to take courses at Master level.

Master: 1 course. Students could take courses at different departments.

Ph.D.: 1 course. Students could take courses at different departments.

Note: 1 credit = 18 teaching hours, 1 course = 2 or 3 credits. Each course lasts a semester (18 weeks).
1 credit usually equal to 1.6 ~ 3 ECTS credits (depends on home university)

Free Mandarin Chinese Program

The Chinese Language Program (CLP) at Taiwan Tech is designed especially for international students and other Chinese learners. This program focuses on daily conversation on various topics, such as eating, clothing, living, transportation and entertainment. The CLP is offered by the Language Center; detailed information on courses and application will be announced on arrival.

Accommodation

Taiwan Tech is not able to provide on-campus dorm due to dorm renovation. However, we have a list of housing agent/ contacts, and will forward the information to students who need flats during their stay in Taiwan Tech.
