COURSE INFORMATION

Please see course/module details below

You can find all information about Coventry University, courses and modules [Here](#)

****Please note that modules listed on the website are subject to change.**
 Click [Here](#) for Coventry University London.

Postgraduate students

Please only nominate Undergraduate/Bachelors students unless we already have an agreement for Postgraduate / Masters students.

If you nominate a postgraduate student for our Undergraduate / Bachelors courses they will be rejected unless specifically allowed for in a partnership agreement.

College of Business and Law

Students nominated to the College of Business and Law will need to select one of three designated pathways. These are the only modules which will be open to exchange students in the 2025/2026 academic year.

Please note that if you are nominating a student for College of Business and Law, teaching occurs on the Coventry campus only.

College of Engineering, Environment and Science

Students will be able to choose one course from the list of courses within the College of Engineering, Environment and Science when completing their application. Students will then follow our pre-existing route for the course and will study the 3 modules that are running in that semester. For example if students choose the Mechanical Engineering course they will be allocated onto the modules within that course. We cannot accommodate module changes from the course allocated modules.

College of the Arts and Society

- **School of Social Sciences and Humanities:**

	Students joining this school are NOT allowed to mix and match modules from the available courses. You will need to select the course that you would like to study (for example, International Relations) and the year that you would like to join (for example, year 2), you will then follow the modules (subjects) on that course. <i>**Students studying; Psychology, Criminology, Childhood, Youth and Education Studies and Forensic Investigation have the opportunity to select modules from a different subject where there are not sufficient credits to complete the semester.</i> School of the Arts and Creative Industries: Students joining this school are NOT allowed to mix and match modules from the available courses. You will need to select the course that you would like to study (for example, Media Production) and the year that you would like to join (for example, year 2), you will then follow the modules (subjects) on that course. <u>Coventry University London</u> Students can only choose one option for each semester. Each options consist of 3 modules. Students cannot mix & match the modules. Module selection can be found here. Please note: It is not possible to combine modules from multiple years, courses or schools due to timetable clashes. If you are here for one semester only, you will only be able to choose modules available during that specific semester. Please note modules and timetables are subjects to change.						
Can students combine courses from different Colleges?	Students cannot mix courses from different colleges. For example, the BA Business course and the BA History course belong to two different colleges and therefore cannot be combined.						
Can students combine courses at Undergraduate / Bachelors and Postgraduate / Masters level?	No, unfortunately the two cannot be combined.
