COURSE INFORMATION

Please see course/modules details below

You can find all information about Coventry University, courses and modules [Here](#)

*Please note the modules are currently being updated and will be up to date by April 2026. Modules are subject to change.

Click [Here](#) for Coventry University London.

Postgraduate students

Please only nominate Undergraduate/Bachelors students, as we do not have postgraduate modules available.

If you nominate a postgraduate student for our Undergraduate / Bachelors courses they will be rejected unless specifically allowed for in a partnership agreement.

College of Business and Law

Students will be able to choose one course from the list of courses within the College of Business and Law when completing their application. Students will then follow our pre-existing route for the course and will study the 3 modules that are running in that semester. For example, if students choose the Law course they will be allocated onto the modules within that course. We cannot accommodate module changes from the course allocated modules.

Please note that if you are nominating a student for College of Business and Law, teaching occurs on the Coventry campus only.

College of Engineering, Environment and Science

Students will be able to choose one course from the list of courses within the College of Engineering, Environment and Science when completing their application. Students will then follow our pre-existing route for the course

	and will study the 3 modules that are running in that semester. For example if students choose the Mechanical Engineering course they will be allocated onto the modules within that course. We cannot accommodate module changes from the course allocated modules. <u>College of the Arts and Society</u> Students will be able to choose one course from the list of courses within the College of Arts and Society when completing their application. Students will then follow our pre-existing route for the course and will study the 3 modules that are running in that semester. For example, if students choose the Media and Communications course they will be allocated onto the modules within that course. We cannot accommodate module changes from the course allocated modules. <u>Coventry University London</u> Students can only choose one option for each semester. Each options consist of 3 modules. Students cannot mix & match the modules. Module selection can be found here. Please note: It is not possible to combine modules from multiple years, courses or schools due to timetable clashes. If you are here for one semester only, you will only be able to choose modules available during that specific semester. Please note modules and timetables are subjects to change.						
Can students combine courses from different Colleges?	Students cannot mix courses from different colleges. For example, the BA Business course and the BA History course belong to two different colleges and therefore cannot be combined.						
What is the minimum and maximum course load?	<table border="1"><tr><td></td><td>Maximum</td><td>Minimum</td></tr><tr><td>One Semester</td><td>30 ECTS / 60 CAT credits</td><td>25 ECTS / 50 CAT credits</td></tr></table> We need written confirmation via email from the home institution if students wish to take less than the detailed minimum number of credits per semester.		Maximum	Minimum	One Semester	30 ECTS / 60 CAT credits	25 ECTS / 50 CAT credits
	Maximum	Minimum					
One Semester	30 ECTS / 60 CAT credits	25 ECTS / 50 CAT credits					
What are the course requirements?	<u>English Requirements</u> B2 Level of English is required. For one semester students, this can be confirmed by a letter from the student's home university. The letter needs to state that the student has achieved B2 or higher in all four components (Reading, Writing, Listening and Speaking). The letter must be: • On Letter headed paper. • Provides contact details for institution. • Dated. • Signed and stamped by the home institution. <i>**Letters that do not state language competency in all 4 components (reading, writing, speaking and listening) will not be accepted.</i> For students coming for the full academic year, the students need to provide evidence that they have passed an English language level test. The						

	following tests are acceptable: • Pearson PTE • TOEFL English Language Test Globally Accepted 79 with minimum of 18 in all areas • British Council Take IELTS 6.0 overall with a minimum of 5.5 in all areas • Online English language Test OI Digital Institute • LanguageCert Language Exams & Certifications • Cambridge: 170 overall with a minimum of 160 in all areas
What are the visa requirements?	Students will need to adhere to the relevant immigration requirements for a UK visa which may differ from our minimum requirement. For further guidance please click here. <u>Visa options:</u> 1. Standard Visitor Visa allows students to come to the UK for a short period of time (up to 6 months), such as to participate in an exchange programme. Some nationalities will need to apply in advance for a Standard Visitor Visa. You cannot extend a visitor visa nor switch into a different visa category in the UK while on a Standard Visitor visa. Please find a link below to information regarding Standard Visitor Visa: https://www.gov.uk/standard-visitor-visa 2. Student Visa allows the student to come to the UK for study lasting more than 6 months. Please see visa guide below for useful information: https://www.gov.uk/student-visa/apply <u>Important update about Brexit and visas</u> Please note that visa requirements for students from the EEA and Switzerland, coming to study in the UK have changed since January 2021. Visa required depends on students' length of stay. Students nominated for Semester 1 only will not be able to extend their mobility to Full Academic Year. If you have any students that you are planning to nominate for Semester 1 only that might want to extend their stay, please inform the Study Abroad team before they have made their application as any extensions (from Semester 1 to Full Academic Year) will not be possible after this.
Grading system:	Percentage 0-100% CAT Credit System (1 ECTS = 2 CAT Credits)
Attendance monitoring	Please note: All students' attendance will be monitored, and all students on the Student Visa route will have attendance/engagement monitored by the International Student Compliance Team (ISC), to ensure they remain compliant with UKVI regulations and visa conditions. Please be aware that you cannot extend your study period (from one semester to full academic year) after your application is completed. For Incoming Students: You will need to complete a 'Right to Study' check on arrival in the UK, before you can enrol on your course. This will be carried out by the ISC team who will contact you prior to enrolment to guide you through this process.

--	--

LANGUAGE REQUIREMENTS

In which language(s) is (are) the courses for exchange students taught? / Which language level is expected?	English, B2 Requirements will be clearly stated on the course and module information sent to students with their offer letter.
--	---

ACCOMMODATION AND FACILITIES

What kind of accommodation is offered to the students?	Students can choose between halls of residence or private accommodation.
How do they need to apply?	Students can apply for Coventry University accommodation, once they have received their student ID number (included in their offer letter). You can find out more about Coventry University accommodation here . * Coventry University London please refer to next page for information.
Disabled students: What is the support offered?	Please visit our website for information on support offered.
Cost of living: Housing, books, transport, etc.	The prices for accommodation may range between £400 - £650 per month. Further information on the cost of living in Coventry can be found here .
Insurance: What insurances do the students need?	Suggested by home institution.

STUDENT TRANSCRIPTS

When the students have finished their studies at Coventry University they will receive a Transcript of Records. <i>**We only provide digital copies of the transcript. The digital transcript will be delivered to the institution email address that was used during the original nomination.</i> The final results are available after the exam assessment, i.e. at the end of February for Semester 1 students only and the end of June for Full Academic year and Semester 2 students. It may take additional time for students who have completed resits.

Accommodation in London

Our Student Accommodation Team can help you find suitable accommodation either in Purpose Built Student Accommodation (PBSA) or within the private rental market. The team can help you explore options that match your budget and personal preferences, ensuring you have access to a range of suitable accommodation choices.

Accommodation costs in London typically range between £900 and £1,400 per month, depending on the type of room, location, and facilities. Please note that costs may be higher in certain areas of London, so you may need to budget accordingly.

Further information on how to contact our team can be found [HERE](#).

The cost of living in London varies from one person to another, please ensure you have done your research on this before travelling.

Student Transcripts

Transcripts will be emailed to the student and to the home institution. The final results are available after the exam assessment, i.e. at the end of February for Semester 1 students only and end of June for Full Academic year and Semester 2 students.
