

Exchange Electives Factsheet 2022/23 For Incoming Study Abroad Students

September 2022

About Imperial College Business School

Imperial College Business School inspires the best minds to become future business leaders. As part of Imperial College London, a global leader in science and technology, we drive business advantage through the fusion of business and technology and an entrepreneurial mind-set. We combine innovative thinking and insight with new technology to develop practical solutions to real world issues, benefiting business and improving society.

Situated in London, one of the world's most important financial and cultural centres, the Business School has access to industry experts and the direct experience of major corporates, consultancies, investment banks, venture capitalists and public sector organisations, which all help to make our teaching and research practical and relevant.

Nominations and Applications

All visiting students must be nominated by their home university. Once nominated, students will receive further information on how to apply online and to select their electives after the nomination deadline.

For Spring and Summer electives, nominations should be received by 31 October 2022. Students will then need to complete the online application between 1 - 20 November 2022.

Academic Information

Language of Instruction	English	
Credit requirements	Students are advised to take up to 20 ECTS in a single term.	
Grading system	Marks	Interpretation
	85+	Marks represent an exceptional distinction performance
	70 – 84%	Marks represent a distinction performance
	60 – 69%	Marks represent a merit performance demonstrating a clear grasp of the relevant concepts and facts
	50 – 59%	Marks represent a pass performance demonstrating an adequate grasp of most of the relevant concepts and facts

Assessment	<p>Modules will be assessed by a mixture of coursework and exams. Module outlines will be provided to students after the nomination deadline.</p> <p>As per College guidelines, students will receive feedback on their coursework between 2 – 3 weeks after submission.</p> <p>If you fail an exam but achieve over 40% on the module overall grade, you have passed the module and a re-sit exam is not required.</p> <p>If you have not achieved a minimum of 40% on the module overall, you may be required to re-sit the exam or resubmit coursework to achieve a pass mark for the module. Resitting an exam or resubmitting coursework will result in the module being capped at the pass rate of 50%.</p> <p>Students may only resit an exam or resubmit a piece of coursework once. Students have the opportunity to re-sit failed exams in the August resit period. The decision on whether you resit an exam to pass a module rests with your home institution.</p>	
Transcripts	<p>Student's transcripts will be made available after the Exam Board meetings. These meetings will take place in July for Spring Electives and September for Summer Electives. Final transcripts will only be available after the exam board. Provisional transcripts can be requested directly from the programme team.</p>	
Electives	<p>Module outlines and guidelines for selection will be made available in November. Please note that the electives below are subject to change.</p>
