For more information on which courses and modules are available please check with your institutional co-ordinator or contact our Study Abroad and Exchange team.

Southampton Business School (SBS)

Some Southampton Business School modules are subject to strict prerequisites, and the exchange coordinator's final approval. Module clashes on students' timetables are not permitted, so it is recommended to also select back up module choices. Module registrations and clashes are confirmed upon timetable release before the start of each semester.

School of Ocean and Earth Sciences (SOES)

Please note there will be a change in the way SOES modules are selected this year. Further guidance on module selection for SOES students will be released in March 2023.

Restricted Courses

Medicine and Health Sciences modules are not available to exchange students. Chemistry and some modules within Engineering disciplines will also be unavailable for exchange students

Workload Requirements

Workload per semester

30 ECTS or 60 CATS (Southampton credits)
Modules are typically worth 7.5 ECTS each

Contact hours per module

Typically 3 contact hours per module per week. The exact ratio of contact hours to independent study hours is listed in the module catalogue for each individual module.

Assessment style

A variety of assessment methods are used. Typically exams, coursework, group and individual presentations. The exact assessment style and its weight in the final grade can be listed in the module catalogue for each individual module.
