GRADING SYSTEM & CREDITS

Achievement in a particular course is indicated by a letter grade that is translated into grade points for the student's record. Final grades are issued by the registrar at the close of each semester.

Letter Grade	Numerical Range	Grade Pt. Value
A	93-100	4.00
A-	90-92	3.67
B+	87-89	3.33
B	83-86	3.00
B-	80-82	2.67

HOUSING

Exchange students are required to live in Quinnipiac on-campus housing. The Department of Cultural and Global Engagement will arrange housing for you. You can learn more about living on campus [here](#).

HEALTH INSURANCE

Federal and state laws require that international students maintain adequate health insurance while attending Quinnipiac. While many other countries bear the expense of health care for their residents, individuals in the United States are responsible for these expenses themselves. A single day of hospitalization can cost thousands of dollars. A good insurance policy gives you access to excellent medical facilities and provides protection against the enormous costs of health care in the U.S.

As a J-1 Exchange Visitor, you and your J-2 dependents are required to have sickness and accident insurance, including coverage for medical evacuation and repatriation of remains, for the duration of your J-1 program. This is a U.S. federal law. (U.S. Code of Federal Regulations Title 22 Section 62.14)

J-1 Exchange Students must enroll in Quinnipiac University's Student Health Insurance plan through Gallagher Health and are not eligible to seek a student health insurance waiver. The Quinnipiac student health insurance plan satisfies the J-1 visa insurance requirements. You can read more about the plan [here](#).

VISA

Exchange students come to Quinnipiac on a J-1 visa as part of the Exchange Visitor Program. There are fifteen different categories under the J-1 visa program: exchange students are in the "student" category.

The Department of Cultural and Global Engagement will provide guidance on how to receive the DS-2019 immigration document and apply for the J-1 visa upon acceptance.

ARRIVING TO THE U.S.

The Department of Cultural and Global Engagement provides a complimentary and convenient shuttle service for new international students arriving at John F. Kennedy (JFK) airport and LaGuardia airports in New York, NY directly to Quinnipiac's campus.

INTERNATIONAL STUDENT ORIENTATION

Before the start of classes, exchange students attend the mandatory International Student Orientation and welcome weekend for the fall and spring semesters. The Department of Cultural and Global Engagement hosts a comprehensive program with information and resources that will assist international students in their transition to living and studying in the U.S. There will be many workshops and activities, and you have the chance to meet your classmates at a variety of social gatherings.

GLOBAL PARTNERS PROGRAM

All new international exchange students will be connected with a Global Partner prior to their arrival to Quinnipiac. Global Partners are current international and domestic students who serve as mentors to incoming students. They will provide advice and peer-to-peer support for new students to assist them in their adjustment to life at Quinnipiac and in the U.S. The Global Partners plan activities and excursions during the first week and throughout the semester to introduce new students to each other and to help students experience U.S. American cultural traditions.

INTERNATIONAL STUDENT ASSOCIATION

The International Student Association promotes awareness of diverse, ethnic and cultural backgrounds. The organization helps international students to find their place in the Quinnipiac community, but at the same time it also creates a learning environment for all students. The goal is to make people understand how valuable cultural and ethnic diversity is.

GETTING INVOLVED

Exchange students can join any of the more the 140 student clubs and organizations. Students can pursue passions ranging from social justice and cultural awareness to physical fitness and the performing arts. There is an Involvement Fair during the first week of every semester where students can sign up for any of the clubs that interest them.
